

MOUNTAINS *to* MAIN STREET

Local and Regional Agency Safety Workshop

November 13, 2025 | 8:00 am – 4:00 pm

NCDOT invites you to participate in the Mountains to Main Street Workshop for local and regional agencies working to reduce fatalities and serious injuries on North Carolina’s roads. This workshop is for anyone interested in developing and implementing safety projects, policies, and activities. You’ll connect with peers and grown the conversation on how everyone—from engineers to enforcement and public health professionals—can contribute to a safer road system.
